

Delivery Method & Timing

Orders placed through the Ultimate Escape online order form are typically processed within two business days. Items purchased through our website are shipped via the delivery method selected. Items delivered via email typically are sent within a few minutes, but because of potential internet issues beyond our control, it is possible they may not be received immediately. Items to be shipped are typically sent out the day orders are processed. Please let us know if you do not receive your order in a timely manner.
