

Loving hearts joined together around the cross to serve others

June 24, 2008

To Whom it May Concern:

The 12-Step Ministry at the Alpine Church of Christ hosted an addiction seminar on March 29, 2008. Steve Holladay with Ultimate Escape made two presentations at our seminar. Steve's professionalism and expertise in preparation and presentation of his material was first rate. His visual application was very effective in communicating his message. Steve made a positive impact on our teens, parents, 12-Step members, and visitors. We are planning to have Steve return. I highly recommend Steve and his ministry to anyone interested in helping others in the vital area of sexuality.
