CHURCH OF CHRIST

To whom it may concern:

The Memorial Road Church of Christ has been richly blessed by Steve Holladay and the ministry of Ultimate Escape. Steve's biblical, straightforward, and tasteful presentations on healthy sexuality received the highest praise from every segment of our congregation. While here, he had the opportunity to speak to teens, college students, young singles, parents, and also to preach for the entire congregation. Following every session our leaders were complimented for bringing Steve to Memorial Road.

God's Word speaks in such clear and unapologetic terms on the subject of sexuality. However, many churches simply don't know how to approach the issues or for a variety of reasons are fearful to address them. Such silence from the pulpit and classroom has left a void that Satan is more than willing to fill. Our young people and their parents are starving for quality, spiritual information to help them deal with the epidemic of pornography and sexual addiction. Ultimate Escape is one of the best resources I know that can partner with local congregations to address these timely concerns in a positive, non-threatening, yet powerful manner.

I can recommend Steve and Ultimate Escape without hesitation. His time with us continues to yield positive results. The biblical messages Steve brought are still bearing fruit and we continue to see lives healed.
